Joe,

I'm sending out the certified plant decals and the award specification letters and want to make sure I'm acknowledging the correct plants for each executive. When you sent the Award Specifications Sheet over I saw a few inconsistencies in the CEO titles and addresses. Since I send one letter per individual want to make sure I am referencing the executive and the plants by their proper names. Can you please review the attached spreadsheet and edit anything that is incorrect and also fill in the blanks that are highlighted red or yellow?

If it's easiest to discuss please call me at (b) (6)

Thanks,  
Danny
